Hi Erin,

A copy of the biological opinion is attached. Due to activity in another one of my cases, my scheduling preference would be Tuesday, March 14. However, I am not sure what Emi's availability will be.

Thanks,
Ryan

Emi and Ryan,

I work with Jennifer Wu, the NPDES permit writer who is working on the Leavenworth National Fish Hatchery Permit. She is out of the office this week, but we would like to schedule a time to meet with you to further discuss the consultation on this NPDES action. Please let me know if any of the dates/times below work for your schedules. Also, would you be able to share with us a copy of the BiOp that was remanded back to NOAA for this facility? We weren't able to locate it online.

Date Options for Meeting:

Tuesday, February 28: 12 – 1pm

Monday, March 6: 2:30 – 3:30pm

Tuesday, March 14: 12 – 1pm

Thank you,

Erin
